

Diskettes

With over 20 years of proven magnetic media expertise, Dysan has long been recognised for manufacturing computer diskettes of the highest quality and the greatest reliability. Every diskette is 100% full surface tested and guaranteed virus free and error free to give users total confidence.

3.5" diskettes are available in the Classic plastic burgundy box for which Dysan is so well known and also in a distinctive and attractive cardboard box design which perfectly compliments the Dysan Computer Accessory Range.

- Tested to meet or exceed all industry standards
