		_		4	BOTT		EW	-	
	Ø9.6		- 5						
Speci	Ø9.6		**			Revisio	on History		
	1	Unit	- 5	Version		Revisio		Date	Approved
	ifications	Unit	**	Version 1	Release			Date 10/21/2013	Approved J.S
Description	fications Value	Unit (Hz)	- Notes		Release	Description			
Description Technology	fications Value Electro-Mechanical 2,731 5	(Hz) (V)	Notes 1) All dimensions are in mm unless otherwise noted		Releas	Description			
Description Technology Resonant Frequency	fications Value Electro-Mechanical 2,731	(Hz)	Notes 1) All dimensions are in mm unless otherwise noted		Releas	Description			
Description Technology Resonant Frequency Rated Voltage	fications Value Electro-Mechanical 2,731 5	(Hz) (V)	Notes 1) All dimensions are in mm unless otherwise noted		Release	Description			
Description Technology Resonant Frequency Rated Voltage SPL @ 10cm	fications Value Electro-Mechanical 2,731 5 85	(Hz) (V) (dBA)	Notes 1) All dimensions are in mm unless otherwise noted		Release	Description			
Description Technology Resonant Frequency Rated Voltage SPL @ 10cm Coil Resistance	Tifications Value Electro-Mechanical 2,731 5 85 40	(Hz) (V) (dBA)	Notes 1) All dimensions are in mm unless otherwise noted		Releas	Description			
Description Technology Resonant Frequency Rated Voltage SPL @ 10cm Coil Resistance Mount Type	Tifications Value Electro-Mechanical 2,731 5 85 85 40 Thru-hole	(Hz) (V) (dBA) (ohm)	Notes 1) All dimensions are in mm unless otherwise noted		Release	Description			
Description Technology Resonant Frequency Rated Voltage SPL @ 10cm Coil Resistance Mount Type Voltage Range	Tifications Value Electro-Mechanical 2,731 5 85 40 Thru-hole 4~6	(Hz) (V) (dBA) (ohm) (V)	Notes 1) All dimensions are in mm unless otherwise noted		Release	Description			
Description Technology Resonant Frequency Rated Voltage SPL @ 10cm Coil Resistance Mount Type Voltage Range Max Rated Current	fications Value Electro-Mechanical 2,731 5 85 40 Thru-hole 4 ~ 6 60	(Hz) (V) (dBA) (ohm) (V)	Notes 1) All dimensions are in mm unless otherwise noted			Description ed from Engir	neering	10/21/2013	J.S
