

## 1A Standard Positive Voltage Regulator

### General Description

- The LM78xx series is three terminal standard positive voltage regulator designed for a wide range of applications that required supply current up to 1A.
- The LM78xx series is available in 10 fixed output voltage:4.7V,5V,6V,7V,8V,9V,10V, 12V,15V,18V and 24V.
- The LM78xx series provides internal current limiting, thermal shutdown protection and Safe-area operation compensation which make them virtually immune from output load, and the output current could up to 1A if adequate heat sinking provide
- The LM78xx is available in TO-220,TO-220F,DPAK (TO-252) ,D<sup>2</sup>PAK(TO-263)packages.

### Features

- Output Current up to 1A
- Maximum Input voltage up to 36V
- Output Voltage Accuracy of  $\pm 4\%$  at 25°C
- Thermal Overload Protection
- Short Circuit Current Limiting
- Output Transistor safe operation area (SOA) Protection
- RoHS Compliance and Halogen Free

HALOGEN  
**FREE**

### Applications

- High Efficiency Linear Regulator
- Post Regulation for Switching Supply
- Microprocessor Power Supply
- Mother Board

		others	-20 to 150	
$T_{STG}$	Storage Temperature Range	D <sup>2</sup> PAK	-40 to 150	
		others	-55 to 150	
$\theta_{JA}$	Thermal Resistance (Junction to Ambient)	TO-220	65	°C/W
		TO-220F		
		DPAK (TO-252)	61.54	
$\theta_{JC}$	Thermal Resistance (Junction to Case)	TO-220	5	
		TO-220F		
		DPAK (TO-252)	7.48	

Note1: Absolute maximum ratings indicate limits beyond which damage to the device may occur. For guarantee specification and test conditions, see the Electrical Characteristics. the guarantee specification apply only for the test conditions listed. Some performance characteristics may degrade when the device is not operated under the listed test conditions.

Note2: The Maximum steady state usable output current are dependent on the input voltage, heat sinking, lead length of the package and the copper pattern of the PCB. The data above represents pulse test conditions with junction temperature specified at the initiation of test.
